Re: Case No. 13-cr-20371

Dear Judge Roberts,

As you are aware through my post-trial motion, I feel that my appointed stand-by counsel, Andrew Wise, compromised both my defense and my Faretta rights. Though he's generally personable and a nice guy, I no longer have confidence in him.

I contacted Rick Helfrick at the Federal Defenders Office to request his help in resolving the situation. He advised me to "write the judge and ask her to remove Andrew." His office can then assign my case to a panel attorney.

Thank you for your attention to this matter.

Sincerely,

Doreen Hendrickson
